

SCHOLAR

Using your SCHOLAR Account

If you are now learning one of the 41 SQA NQ courses shown overleaf, you have access to SCHOLAR online course materials to support your studies. All you need is access to the internet.

How do I access SCHOLAR?

If you are in S5/6 you will already have an account and can access this through GLOW - please see below. If you are in S4 or are having trouble accessing resources then please contact gw08lemmonshirley@ea.dumgal.sch.uk remembering to include which of the 41 SQA NQ courses you are studying, and temporary access will be arranged for you.

Using Glow

When logged on to Glow, you can use the SCHOLAR tile to access your account without needing to provide a username or password.

To set up this feature, the very first time you use the tile you will be asked to provide your SCHOLAR username and password.

Accessing SCHOLAR directly

You can log in to SCHOLAR from our website (<https://scholar.hw.ac.uk>).

When you log in directly to SCHOLAR, you will always be asked to enter a username and password.

If you don't know your SCHOLAR username or password, click the "[Forgotten Password](https://scholar.hw.ac.uk/forgottenPassword/)" option on our website, and login details will be sent to the email address that is listed for you on your school SEEMIS system. <https://scholar.hw.ac.uk/forgottenPassword/>

Your New Courses

If you are in S5/6 then your **old courses for last year** will be on the front page as usual. To get to your **new courses** please click **on** to get list of all courses available.

The screenshot displays the SCHOLAR user interface. At the top, there is a 'WELCOME' banner with a 'You are new to this content' message. Below this, a 'SCHOLAR News' section indicates 'Online Tutor Sessions 27 April - 01 May 2020'. The main content area is divided into three sections:

- Enrolled Courses:** A table listing courses currently enrolled in, with a 'Resources' column containing icons for each course.

Course	Resources
National 5 Chemistry	[Icon]
Higher Computing Science	[Icon]
Higher Mathematics	[Icon]
Higher Physics	[Icon]
- Accessible Courses:** A section with an information icon stating 'You are not enrolled in the following courses but have access to the content material (excluding reporting and progress)'. It lists 3 courses that have been made available, each with a 'Resources' column.

Course	Resources
National 5 Computing Science	[Icon]
National 5 Mathematics	[Icon]
National 5 Physics	[Icon]
- Additional Available Courses:** A section stating 'The following 37 courses have also been made available:' followed by a list of course names and a 'Resources' column. A yellow callout bubble with a green dot and the text 'Display other courses' is overlaid on this section.
